QUICK FRAME LIGHT UP AND STAND OUT!

Quick Frame is a remarkable display based on three elements: Plug and play frame requiring neither tools nor experience, integrated highly-efficient LED lighting and eco-friendly textile print. Since Quick Frame display is always on the road, we've included a handy carrying box for maximum portability, empowering our customers to effortlessly promote their brands everywhere from crowded trade fairs to narrow supermarket aisles.

QUICK FRAME

LIGHT UP AND STAND OUT!

Magnetic joining system

Create different shapes and sizes with our modular graphic walls

Our innovative magnetic system enables you to join stands by simply pushing them together. Forget about unnecessary tools and all keys. With the interchangeable prints, Quick Frame offers flexibility and most importantly an easy solution for your event.
